

***One in 12 children aged 4 - 7 have witnessed physical violence in their homes.**

*In the time it takes to brew a cup of tea, 3 women will be assaulted by an intimate partner.

*Every minute of every day, a Canadian woman or child is being sexually assaulted.

*68% of all single mothers reported experiencing violence in previous marriages and common-law unions.

*Between 1994 and 2003, females aged 15- to-24 had the highest rate of spousal homicide.

*56% of women who reported being stalked were stalked by current or former partners.

In 2004, half of the women who reported experiencing spousal assault by a past partner indicated that the violence occurred after the couple separated.

*This cost to Canadian society of women abuse is estimated to exceed \$4 billion annually.

*On average, it will take 7 attempts before a victim will remain away from an abuser—the biggest factor is the level of community support...
